

We're not so little anymore, but we're still loyal!

Yes, we are loyal and proud of it! In 1991, Bluebonnet was founded on the basic principle that we offer high quality, kosher-certified* nutritional supplements exclusively to natural food retailers. Ever since, it has been our family commitment to the industry that we remain devoted and loyal. Bluebonnet has always held the strong belief that the natural food retailer is the educational voice of the industry, which is why we are proud to be aligned with you in our mutual quest to educate and deliver healthier lifestyles to the consumer.

So while we are still not the biggest dog on the block, we do have a proud seventeen-year history and a strong conviction to exclusively service your store. Call us today for more information. Your trust and belief in our family, company and products will be rewarded with years and years of loyal partnership.
